

AMENDED IN ASSEMBLY MARCH 17, 2014

CALIFORNIA LEGISLATURE—2013–14 REGULAR SESSION

ASSEMBLY BILL

No. 1951

Introduced by Assembly Member Gomez

February 19, 2014

An act to amend Section 102425 of, and to add Section 102425.1 to, the Health and Safety Code, relating to vital records.

LEGISLATIVE COUNSEL'S DIGEST

AB 1951, as amended, Gomez. Vital records: birth certificates.

Existing law prescribes the duties of the State Registrar of Vital Statistics and local registrars of births and deaths with respect to the registration of a live birth. Under existing law, a certificate of live birth is required to contain, among other things, the full name, birthplace, and date of birth of both the father and mother of a child, except as provided.

Existing law provides for the Vital Statistics Advisory Committee, which, among other things, is required to review and make recommendations to the State Registrar as to proposals for addition or deletion of items on the certificate of live birth and advise the State Registrar on the content and format of the certificate. Existing law requires the State Registrar to publish within 30 days of receipt of recommendations by the committee, both a list of the recommendations adopted and a list of the recommendations not adopted, with reasons for the action.

This bill would instead require the State Registrar, with regard to identification of the parents, to modify the certificate of live birth to contain ~~one line that reads Father/Mother/Parent 1 and another line that reads Father/Mother/Parent 2~~ *lines that both read "Name of Parent"*

and contain, next to each parent's name, 3 check boxes with the options of mother, father, and parent to describe the parent's relationship to the child. The bill would require the State Registrar to submit a report to the Legislature regarding the modification within 30 days of the action. The bill would also require that all local registrars, deputy registrars, and subregistrars use the modified certificate of live birth, update all forms to incorporate the modification, and discard all forms in use before the modification. *The bill would make conforming changes.*

Vote: majority. Appropriation: no. Fiscal committee: yes.
State-mandated local program: no.
